Dear Jim:

Thanks for taking the time to talk.

Before I publicize the suit, I want to be sure I have not misquoted them in anyway. This chapter was one of 65 I wrote 15-20 years ago at a rate of (researching & writing) 100-200 pages per month, so it's possible I made a mistake.

That's why I asked for your reading also, but I will be checking everything carefully as well.

The article I need is by Robichaux, "The Divine Trinity in the Divine Economy," Affirmation & Critique, Apr. '99.

Thanks again, I'll be in touch.

In Him,

John
